

San Diego County Sheriff' Department

Body Worn Camera Training

2016 Safety Brief

SITE SPECIFIC SAFETY BRIEFING

1. Upon arrival to the training venue at the Sheriff's A-Range on MCAS Miramar, all weapons will be secured in the trunk of the deputies' vehicle. This includes but is not limited to firearms, chemical agents, batons, saps, Tasers and knives.
2. The meeting area will be classroom B. A Safety officer will be at this location for safety inspections.
3. No person will be allowed to enter the training site with any weapon on their person. A safety inspection will be done on each person before they are allowed to enter the training area.
4. Should anyone return to their vehicle, a Safety Officer will accompany them or they will be re-inspected prior to re-entering the area.
5. Before class participants leave the training venue, they will be reminded to remove their weapons from the trunks of their vehicle and re-arm.
6. Signs will be posted in the area of the training venue stating Sheriff's training is in progress.
7. A sign will be posted next to the entrance/exit which states, "No Weapons Beyond This Point. Do Not Enter Without A Safety Check."
6. All injuries should be brought to the immediate attention of the Primary Proctor.
7. Pre-existing injuries, which may prevent you from certain physical activities, shall be brought to the attention of the Primary Safety Officer. Notification will be made prior to engaging in or attempting any strenuous activity.
8. **In the event of a real life emergency, anyone can call 911 to request assistance.**
